## THE LOVE OF HOME

At Rowico Home we offer furniture in well-crafted Scandinavian design. Stylish furniture for homes where family and friends spend time together and the dining area is the centre of attention.

Wood is our most important material and FSC® certified furniture has become our hallmark when developing our collections. We constantly strive to make the best possible material choices and to think sustainably at every stage.

Since our foundation in 1971, we have been inspired by the words simplicity, security and family. Three values that guide us in our decisions, guide us into the future and make us grow. We are currently on a fantastic expansion journey and are investing fully by entering more markets, creating shop-in-shops and opening our own showroom at Birger Jarlsgatan 32 in Stockholm.

Today, with Jessica Hammargren as CEO, it is the third generation to run Rowico Home. Through sustainable choices, Scandinavian design and well-made furniture in time, we hope that our furniture will help to increase the love for your home.

Welcome to our world of furniture!

The WESTVILLE dining table in brown lacquered oak is a timeless table that will last for generations. Together with the NAGANO chair in brown oak and beige textile, its the perfect combination for long, enjoyable dinners.

# DRIMSDALE

## DURABLE OVER TIME

The armchair DRIMSDALE in beige textile and legs in brown oak is a modern and timeless chair with a nice frame that makes it comfortable to sit in.

With a Scandinavian design, high quality, and FSC-certified wood, DRIMSDALE becomes a durable chair over time. Available in the three textiles beige, green, and gray which can be combined with solid oak wooden legs, choose between the four colors brown, black, white pigmented, and oak.

WESTVILLE dining table is available in brown lacquered and white pigmented oak. A spacious table designed for long lovely dinners, where lifelong memories are made. With two extra additional boards, the table can be extended to a full 330 cm. The table's simple and functional design, inspired by the American shaker style, fits well into Scandinavian homes.

WESTVILLE dining table is nice to combine with a wooden chair as NAGANO or an upholstered chair like DRIMSDALE.

# WINDHAM

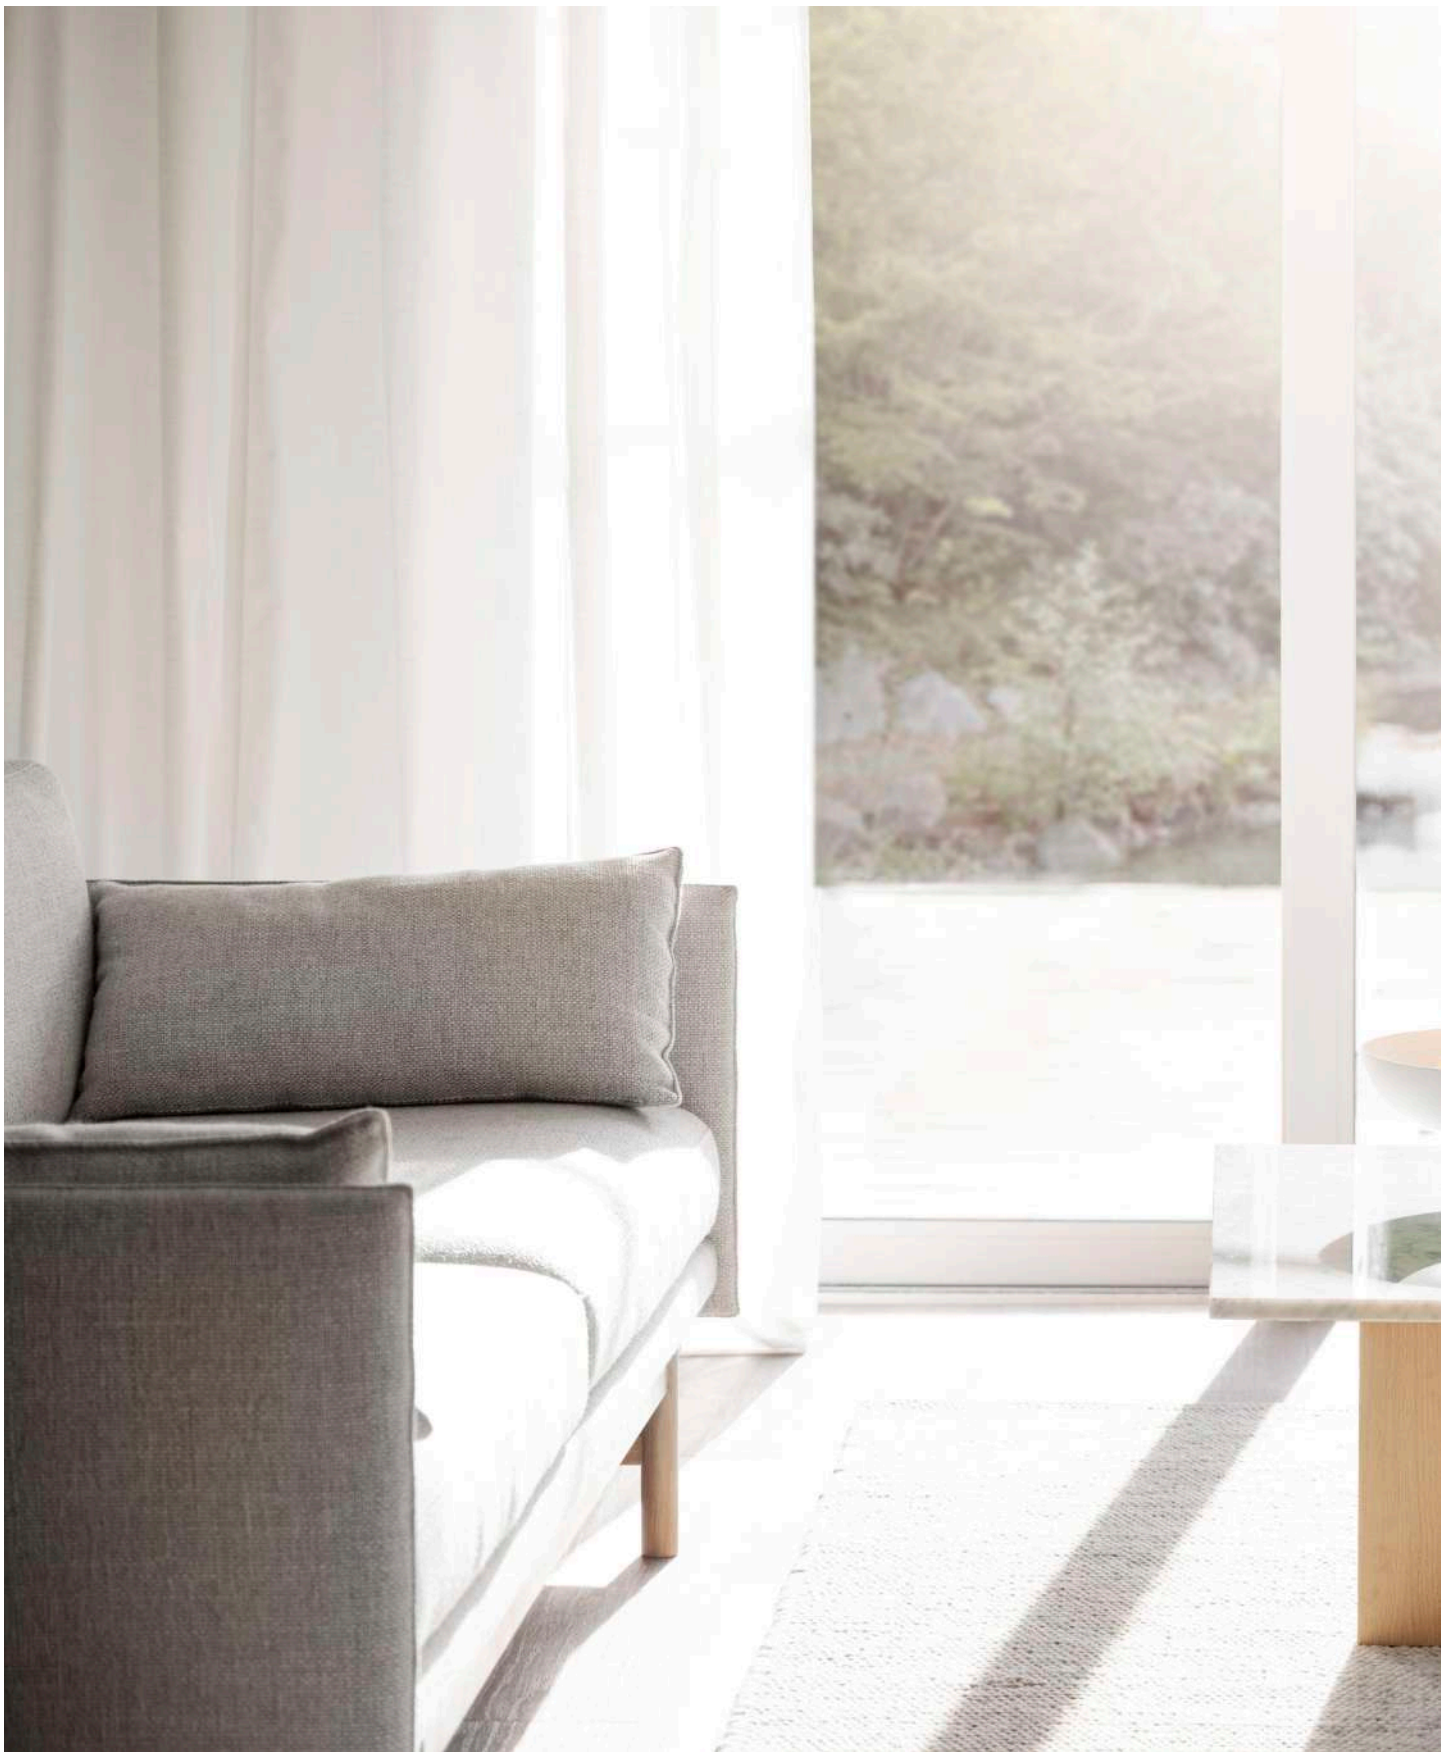

## DOWN-TO-EARTH SCANDINAVIAN DESIGN

The WINDHAM armchair also fits very well with the WESTVILLE dining table. The armchair has a high sitting comfort and is pleasant to sit in for a long time. Down-to-earth Scandinavian design, high quality, and FSC-certified wood.

WINDHAM is available in the two textiles beige and green to combine as desired with solid wooden legs in oak. The wooden legs are available in the four colors brown, black, white pigmented, and oak.

WESTVILLE dining table in white-pigmented oak gives off a Scandinavian lightness that fits in most homes. Together with the NAGANO chair in white pigmented wood or WINDHAM in beige textile and white pigmented base, it becomes a complete dining group that breathes timelessness. Possible combinations that will be sustainable for many years to come.

Luxurious coffee table BROOKSVILLE with the marble table top. Here combined with the HAMMOND sofa and MORESBY TV bench, which also functions as a low sideboard. A lovely Scandinavian combination that breathes lightness, calm, and harmony.

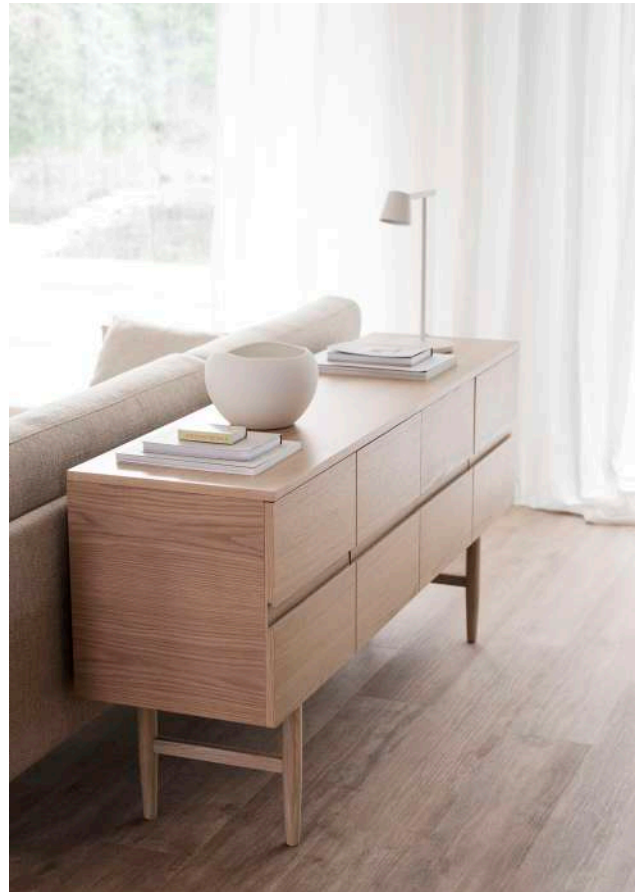

# MORESBY

## AIRY EXPRESSION

MORESBY sideboard in lacquered white-pigmented oak fits both in the modern and more traditional home and is a stylish eye-catcher. The high shape-turned legs create a lightness and give a harmonious and airy expression. MORESBY sideboard has four soft-closing doors and removable shelves.

The coffee table BROOKSVILLE with the round or square table top of Italian Carrara marble together with the decorative cross base of white pigmented oak creates an exclusive feeling. The fact that it is made with FSC-certified wood also makes it a sustainable choice that protects the environment. BROOKSVILLE is also available in brown oak with Emperador marble. Both variants create a peaceful feeling in the room.

CANWOOD lounge chair in white-pigmented oiled oak is a well-worked craftsmanship, created with a classic Scandinavian style. The seat in black braided saddle soil creates a nice contrast to the wood. The lounge chair is also available in brown oak.

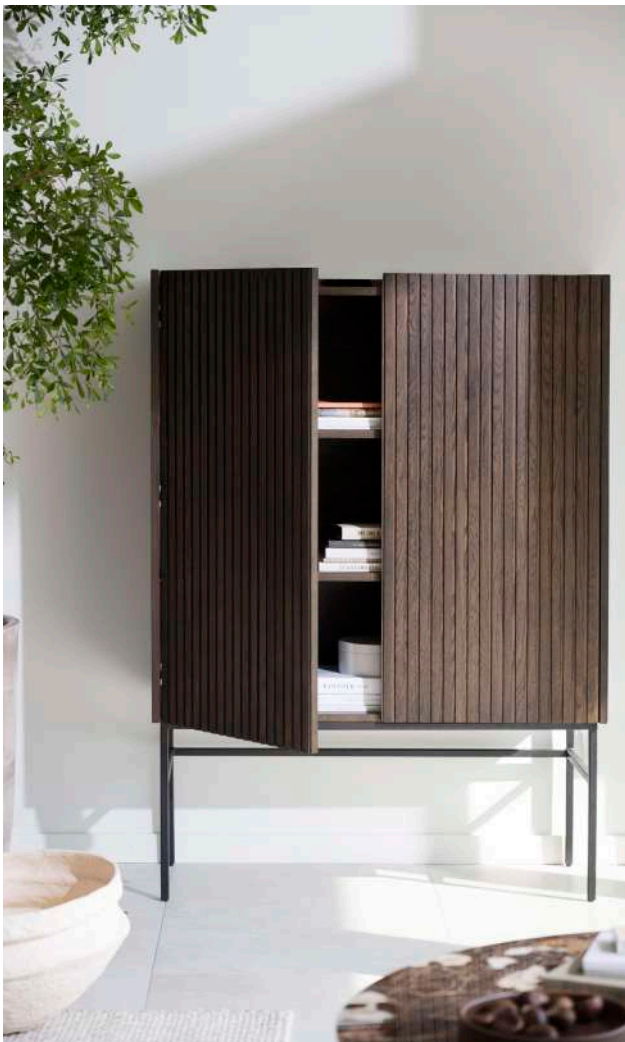

# HALIFAX

## TIMELESS, TRENDY DESIGN

The HALIFAX series with storage in black or brown lacquered oak has a trendy design with its solid oak slats. Knobs in gold-colored brushed metal are included and you choose whether you want to put them there or let the doors speak in their simplicity.

The luxurious coffee table BROOKSVILLE is inspired by the Japandi style, a fantastic combination of Scandinavian design and Japanese minimalism. The round table top made of exclusive Italian Emperor marble together with the cross base made of FSC-certified wood creates a durable coffee table and gives a peaceful feeling to the room. The coffee table is included in the FSC-certified BROOKSVILLE series where you design the coffee table the way you want it by choosing the base in brown or white pigmented wood and the shape and color of the marble table top.

CANWOOD lounge chair fits well to mix with other furniture in the living room. It will be an "eye-catcher" and a perfect place to put your feet up and read a good book.

The CALVERTON dining table has a high design value with its unique cross-leg structure and brown brushed table top. The dining table is easy to combine with both wooden and fabric-covered chairs. Here together with the sustainable choice PAISLEY.

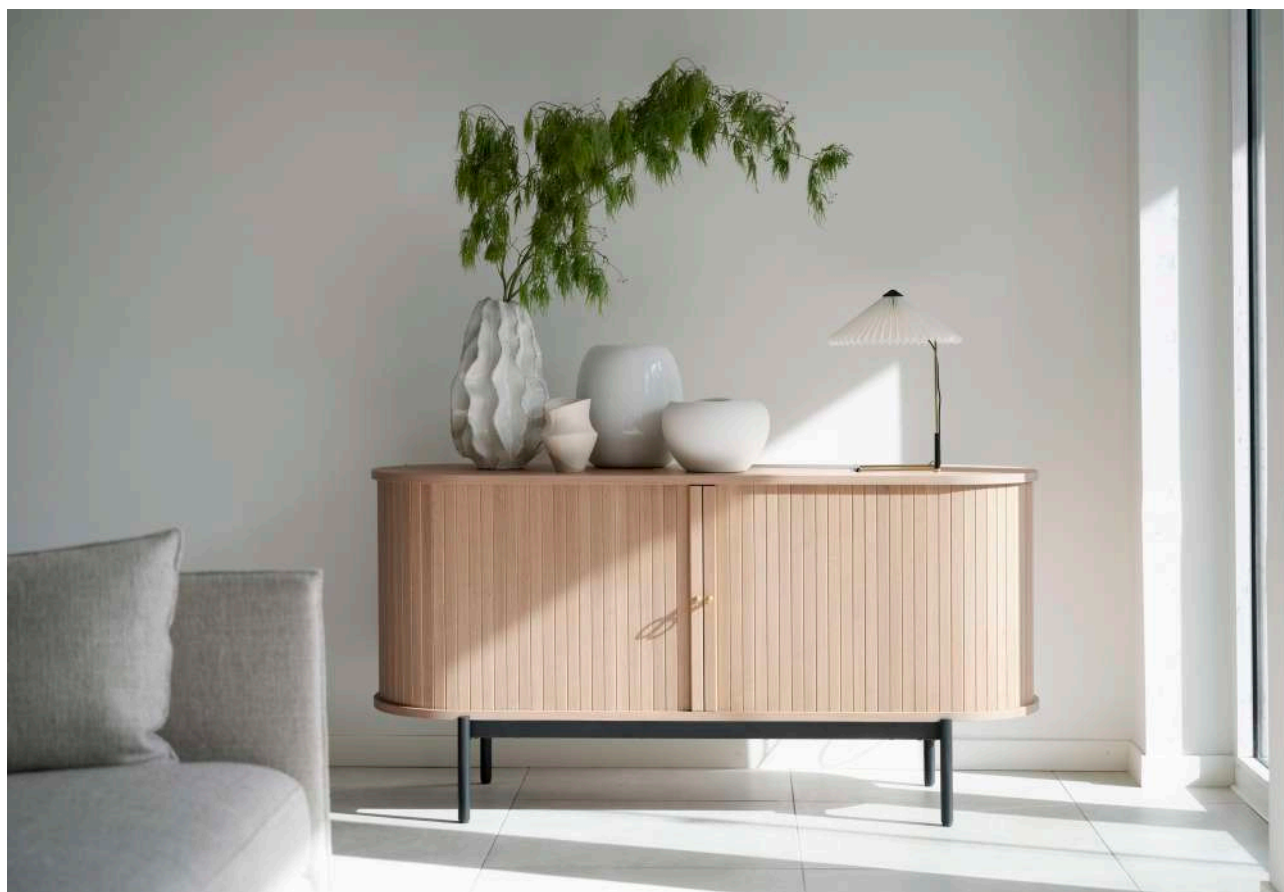

# HADDINGTON

## STYLISH AND MODERN

The HADDINGTON series consists of cabinet, sideboard, and relief table. With its oval shape, practical shutter doors, and brass-colored knobs, the series creates a stylish and modern feel. Behind the sliding shutter doors with a ribbed pattern of solid oak, there is storage space and the high leg stand made of powder-coated metal in a sand texture gives an airy impression.

The HADDINGTON relief table with two drawers can also be used as a desk for the stylish home office or as a dressing table in the bedroom. Here combined with the PAISLEY chair, which is made from FSC-certified wood and textile from recycled PET bottles. This means that bottles did not end up in the sea or pollute beaches, but were instead processed into a high-quality soft fabric. 25 PET bottles (50 cl) have been used for each chair. The rounding of the backrest creates high sitting comfort and a relaxed feeling. The trendy round legs in black lacquered metal provide stability and a unique expression that also fits most dining tables. Available in beige and grey-brown textile.

With the AUCKLAND rug in 100% wool, it is easy to create a softer feeling in the room.

# WINNIPEG

## MODERN DINING TABLE IN TWO COLORS

WINNIPEG is a modern dining table in black wood with black stable metal legs. The dining table has solid-looking edges and a veneered table top. It is possible to purchase additional boards if you want to extend the table, maximum length of 300 cm, and make room for many guests. Feel free to match the dining table with a wooden chair like RODHAM or an upholstered chair with metal legs like SIERRA, which has 12 different colors to offer. The dining table is also available in a white pigmented version, see below together with BRENT chair.

The practical BREWERTON series is available both as a TV stand and sideboard. The series is produced in lacquered wild oak veneer with visible twigs that create a character and strengthen the wooden feeling in the furniture. The veneered doors on the two storage units are produced from the same plank of wood, which means that all three doors continue with the same grain and create a uniform and stylish impression.

FILIPPA dining table in solid oak with white pigmented oil. Can be supplemented with up to two additional boards to get a maximum length of 280 cm. The dining table is part of our wide Filippa series, which also has storage that fits nicely. Here together with hRODHAM chair.

# FILIPPA

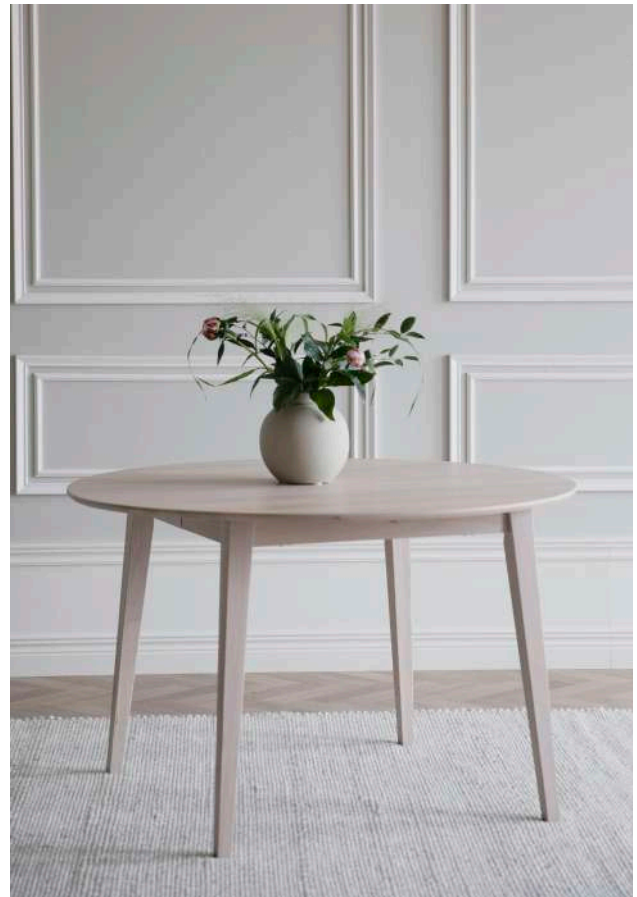

## 100% FSC-CERTIFIED OAK

The FILIPPA series dining table has been extended with a lacquered dark brown oak color. The table is characterized by cone-shaped legs in the same color as the top. The round dining table is 120 cm in diameter in its basic form, and with two additional boards, the dining table has a maximum length of 210 cm. The dining tables consist of 100% FSC-certified oak, which means that all the wood comes from responsible forestry, i.e. forestry that takes people and the environment into account.

FILIPPA is a popular dining table which together with the ALISON swivel chair becomes a perfect combination.

ALISON chair with a powder-coated metal base that has a 360-degree swivel function is a very popular chair. The chair has an upholstered seat in a cupped design that creates a very pleasant sitting comfort. ALISON is available in the colors beige, gray, and dark gray microfiber. The series also includes a frame chair that has the same function, and is available in the same colors but has higher armrests that make the chair snug.

FILIPPA includes several models of dining tables in different colors, to the right you can see the white pigmented version together with RODHAM chair. In addition, storage and coffee table are included in the series.

# INVERNESS

## PRACTICAL AND ELEGANT

The hall series INVERNESS in brown lacquered oak is inspired by the shelves in the train compartments of the Orient Express with its classic shape. The straight yet soft shapes of both the hat shelves and shoe racks have a design that never goes out of time. The brass-colored details such as the metal bar on the hat shelves create a tasteful feeling in the hall while making them extra durable and long-lasting.

The series also includes a mirror and a clothes hanger in the form of a hook strip. Both have decorative brass-colored hooks that give a luxurious look. The mirror also has a functional shelf for the mobile phone or keys. See the entire series in the gallery, at the end of the catalog.

Combine several products from the series in the home to create a welcoming hall. And feel free to supplement the hall series with other furniture such as the CARMEN chair. An odd chair in the hall will be a good addition to the feeling and a practical seat when you put on your shoes.

# YUMI

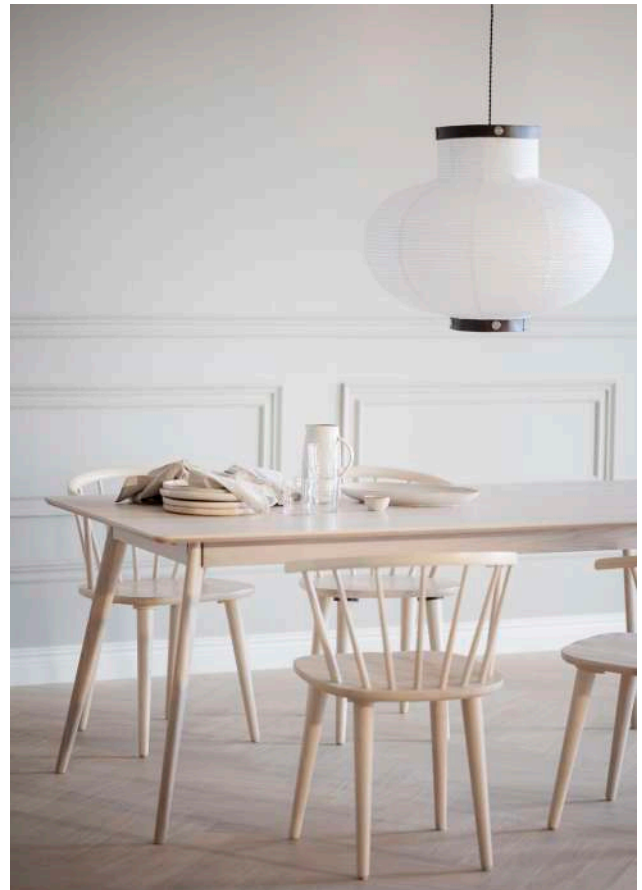

## POPULAR CLASSIC IN A NEW COLOR

The YUMI series has become a popular classic. The dining tables, which are available in a round and a rectangular version, as well as coffee tables in three designs; round, oval, and side tables, have been completed with the color brown ash.

The series has a tabletop in lacquered veneer and solid legs. The slightly exposed legs breathe Scandinavian design and convey a timelessness that lasts year after year.

It is easy to create a whole in the home with YUMI. For example, match a dining table with a wooden chair like CARMEN or an upholstered chair like SIERRA. For the living room and the sofa corner, the YUMI coffee table works with SHELTON sofa. Stylish combinations that exude simplicity while giving off a modern feel.

Trendy HALIFAX cabinet and sideboard with brown oak and high black metal legs are also nice to mix in the same room with, for example, the YUMI dining table in brown ash.

# HAMMOND

FSC-CERTIFIED QUALITY

HAMMOND sofa in grey or beige textile with solid oak frame has a Scandinavian design. The sofa is made in Europe and all the wood in the furniture is FSC-certified. The seat has serpentine springs and distributes comfort evenly. The sofa is part of the flexible series where you design the sofa the way you want it by choosing the colour of the fabric and three different wood bases. Combine with a HAMMOND coffee table for a stylish ensemble. All tables are made of FSC-certified solid oak and are available in white pigmented, brown and black.

To have the possibility to create a personal living room, you can choose a wooden or marble table top on HAMMOND coffee tables. The marble is available in brown as well as white. Nice to combine a wooden table with a marble table to create a unique detail in your home. See all combinations at the back of the gallery.

# CARRADALE

## WELL CRAFTED FLEXIBILITY

CARRADALE dining table with two-piece solid table top and black powder-coated metal legs is available as a round or rectangular dining table. The table is part of the flexible CARRADALE series where you can design the way you want it by choosing the shape and colour of the table top and the leg frame. Additional tops are available for the rectangular tables, allowing for more seating. The dining tables are available in brown, black and white-pigmented FSC-certified solid wood. All models are gathered in the gallery.

On the left, brown oak CARRADALE with V-legs is shown together with the NAGANO chair, creating a stylish whole.

EMMETT dining table, made of 100% FSC- certified European wood, together with ROSSPORT chair is a trendy combination. The straight lines of the dining table are allowed to take over the room with the upholstered chair next to it.

RODHAM is a well-crafted exclusive chair that breathes Nordic elegance and is available in four natural colors. RODHAM chair in brown solid oak with beige seat is both trend-proof and exclusive in its expression. Fits perfectly both to CARRADALE and EMMETT

# MELVILLE

## MODERN STABLE TABLE

MELVILLE coffee table with two-part top in white-pigmented and brown-lacquered wild oak. Here together with SHELTON sofa.

Visible twigs and marks on the table top are part of the furniture's appearance and make each piece unique. The base in black lacquered metal gives the table a modern look and creates a really stable table.

The series includes practical sideboards, dining tables and coffee tables in similar designs.

The dining table goes well with most chaitabletopck or with black details.

# AUCKLAND

## HIGH QUALITY AND HAND-KNOTTED

AUCKLAND is a durable, high quality handknotted carpet. The carpet consists of 100% wool, which makes it warm and comfortable to walk on.

AUCKLAND is available as rectangular carpets in three different sizes and a round variant.

The wool carpets are available in gray and a light beige color, thanks to their natural colors and solid sizes they are easy to place in the home.

To the left the CANWOOD lounge chair in white-pigmented creates a cozy corner together with the round light beige AUCKLAND carpet.

On the right you can see AUCKLAND rectangular carpet stretch out beside JENSON bar table and AUSTIN bar stool.

# HOLTON

WELL CRAFTED NORDIC DESIGN

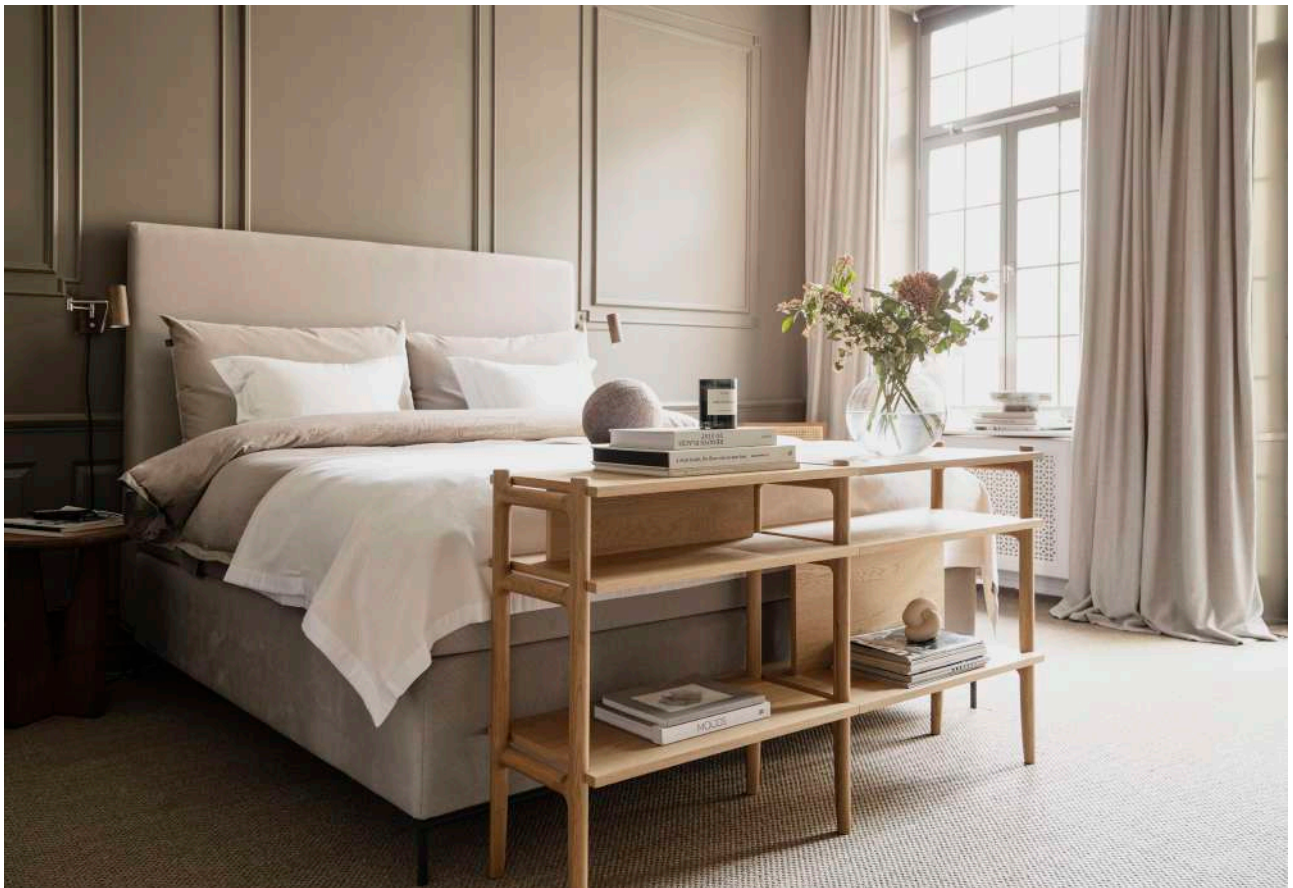

HOLTON is a well-crafted series in Nordic design that fits in most homes. The series is available as coffee tables and bookshelves in nature lacquered oak and black lacquered oak.

HOLTON coffee table has a table top in lacquered oak veneer with turned legs and solid oak base. The lacquered coffee tables are available as an oval or round in two sizes.

HOLTON bookshelf has shelves in oak veneer and solid legs.

HOLTON is available as a high bookshelf and as a lower console table that can be placed next to the wall or as a room divider.

A very useful series that creates an exclusive feeling.

# SULLIVAN

## TRENDY EXCLUSIVE DESIGN

SULLIVAN coffee table is a trendy exclusive coffee table in Scandinavian design. The foot is designed with a tastefully lined pattern. The coffee table has a veneered table top with rounded corners that give it a soft feeling.

The coffee tables SULLIVAN are available in two sizes and in the colors white pigmented oak and black. Place the coffee tables separately or together as a set table.

Below is PRESCOTT, a comfortable and trendy lounge chair in brown leather. The chair has high seating comfort and a spacious seating area with armrests in black lacquered oak. The lounge chair is also available in black or brown leather and in gray or green velvet.

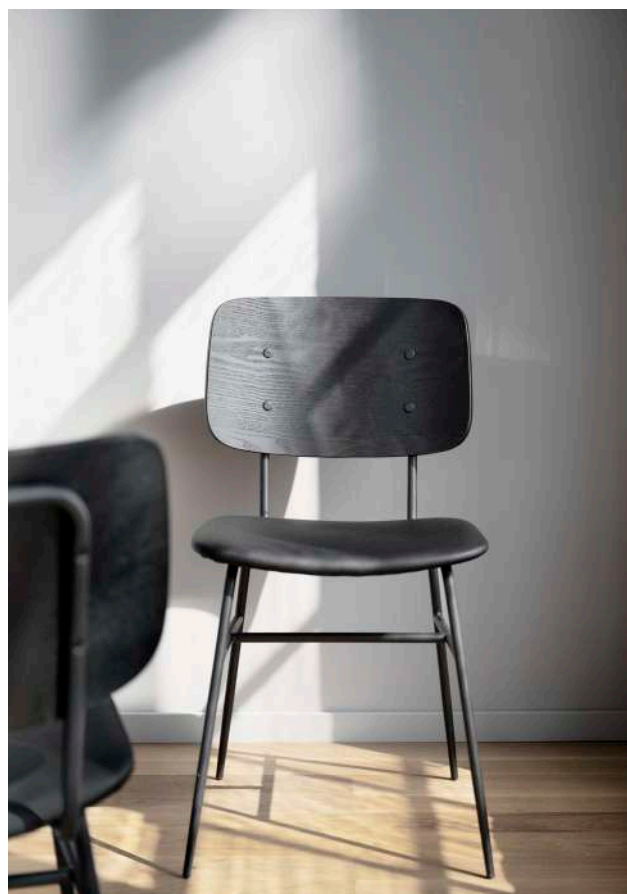

## COLONSAY

### SOLID AND ELEGANT EXPRESSION

COLONSAY dining table, on the right side, in lacquered oak veneer has solid edging for extra durability and to create a solid and elegant expression. It is possible to buy 2 additional extensions and get a dining table of a full 315 cm. A chair that fits nicely to the dining table is KATO.

BRENT chair with an ash back tray, metal legs and a comfortably upholstered wide seat in artificial leather is a popular chair to the FILIPPA dining table.

FILIPPA dining table in dark brown brushed oak, characterized by cone-shaped legs in the same color as the top, conveys a modern feel to your home.

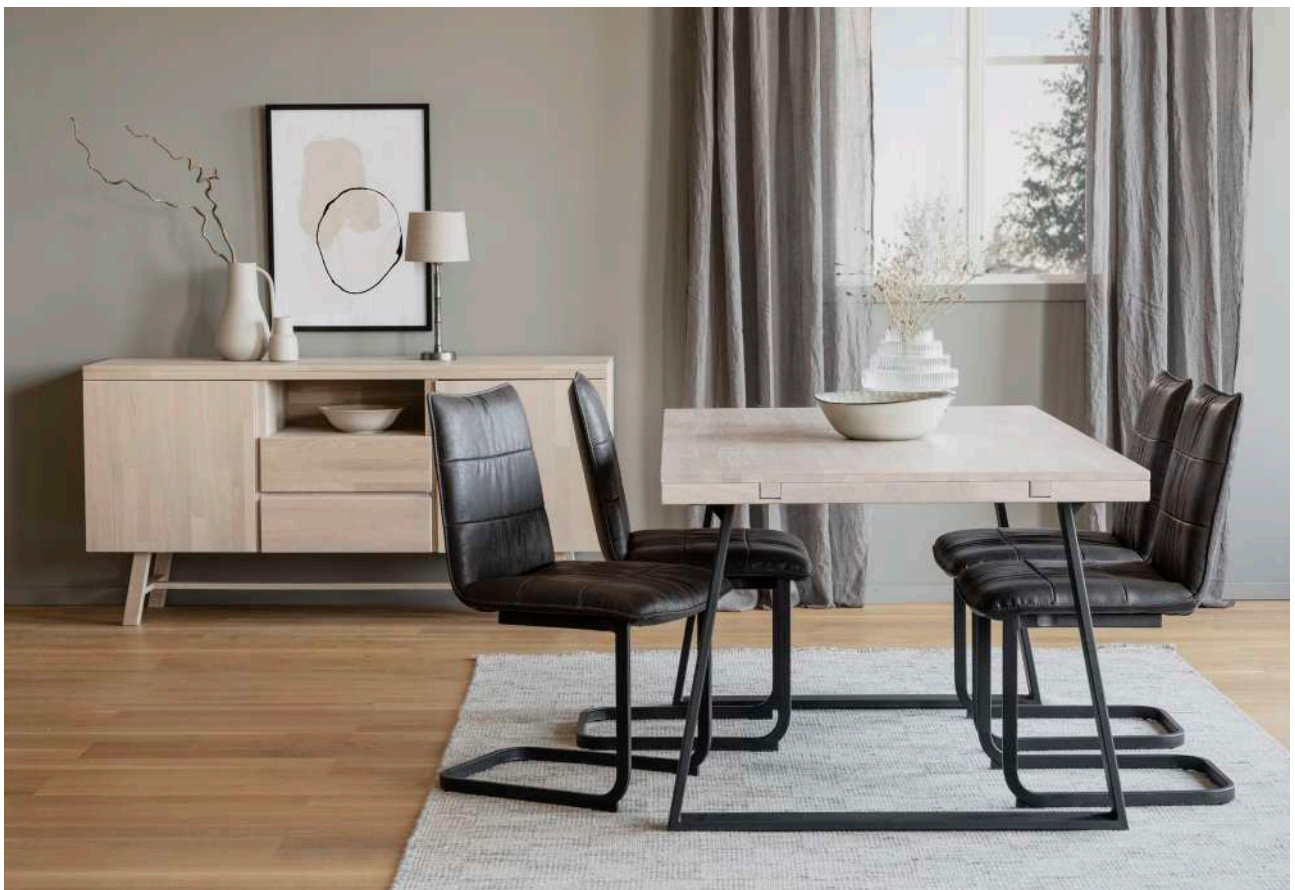

# BROOKLYN

## DESIGN YOUR OWN DINING TABLE

From our popular BROOKLYN series you can design your own solid dining table, in finger-jointed FSC®-certified oak, by three simple choices. Color, size and base. Create a dining table that lasts year after year where family and friends can socialize and grow. The tables can be up to 320 cm long and can accommodate up to 12 people.

The series also includes matching sideboards, cabinets, coffee tables and TV benches. All pieces are available in three color schemes; natural oak, white pigmented oak and dark brown oak.

The armchair to the left is called BOLTON and below it is a BAYLAND chair. Both chairs have high seating comfort so you can enjoy long dinners with friends.

## FRED

WITH A FEELING FOR STYLE

The solid two-part table top is a hallmark of FRED and also gives the series its elegant character.

FRED is a European-made series in FSC®-certified wood that consists of round and rectangular dining tables with matching sideboards. All parts have black powder-coated legs in metal that create a stylish whole. Here you can see FRED round 160cm dining table and the rectangular in 240 cm. The tables are available in white pigmented oak, all-black and with a dark brown table top.

The rectangular dining tables are available in lengths of 170 or 240 cm.

The storage unit has soft-closing doors and drawers and holds plenty of storage. All parts are collected in the gallery at the back of the catalog and on our website.

# SIERRA

## A COMFORTABLE FAVORITE

Our popular SIERRA chair is available in a variety of colors and fabrics. It is not difficult to understand why it is so popular and a favorite of many. SIERRA is easy to match no matter what color you have in your home. In addition, it has high seating comfort and stable, strong legs in powder-coated metal.

SIERRA is also available as a bar stool in the same modern design and comfortable seating. The bar stool is available in three different colors and fits both kitchen islands and bar tables.

All combinations of SIERRA chairs can be found in the gallery at the back of the catalogue.

TYLER dining table in white pigmented oak. With a table top in finger jointed solid oak and solid legs. The surface is treated with white pigmented oil. The table is part of the Tyler series that also includes an oval table. Both both rectangular and oval dining tables are available in white pigmented and oak. Here you can see the table with ALBERTON chair. ALBERTON is a nice and modern velvet chair. In the back there are decorative buttons and the seat has a high comfort. Available in grey and beige velvet.

# MILFORD

MILFORD hall series creates an exclusive feeling for the hall, at the same time as it is timeless and lasts for many years to come.

MILFORD is made of solid lacquered oak and has metal hooks on the hat shelf, coat hanger and hanger. The parts are available in black lacquered oak, white pigmented oak and lacquered oak.

Thanks to the straight end of the shoe rack, it is possible to mount several shoe racks on top of each other and create double hat shelves.

A bedroom scene featuring a bed with a light-colored wooden headboard, several pillows (some dark brown, some light beige), and a white duvet. A dark brown fringed throw blanket is draped over the left side of the bed. On the throw, there is a small tray with a glass of milk, a croissant, and a rolled-up newspaper. A potted plant with green leaves is visible on the left side of the frame. The background consists of a window with light-colored, sheer curtains. The floor is covered with dark wood-look planks.
